Draft Final Response to AVX letter re TSCA Determination 10.18.2016.docx

Ginny,

This is now ready to go to the State if you still want to share it with them for informational purposes. Leave the watermark and Draft – Do Not Release at the top. I assume you will be talking to Angela? What about Gerard?

You should know that once we share this with the State, it is unlikely they will be able to protect it if FOIA'd under the state public records law. An alternative path would be to call them and walk them through it.

Either way, how long do you want to give them before we send it to AVX?
